1. Paul Southwick of the Moss Information Subcommittee returned my call of yesterday and I advised him that after consideration the Agency had determined that the letter signed by the Director to Mr. Moss in response to an earlier letter from Mr. Moss should stand as delivered to Mr. Southwick and if the Chairman wanted further information we would be glad to consider his request. Mr. Southwick made no comment except to say he would take up the matter with Mr. Moss.

2. Talked with Phillip S. Hughes, Bureau of the Budget, and gave him the essence of the proposed letter for the Director's signature to Senator Wiley reporting on S. 2188. Mr. Hughes indicated that since we did not really give any views on the bill as such he felt there was no requirement for forwarding it to the Bureau of the Budget for clearance but did request a copy. Mr. Hughes also indicated there had been no other requests for clearance of reports on this bill.

3. Received word from Mr. Charles Johnson of the House Post Office and Civil Service Committee staff that the Committee would not be meeting on 2 July concerning H. R. 5807 and H. R. 5178. The next regular meeting of the Committee is 16 July, but there is some consideration that the Committee may meet on the 9th for consideration of these two bills.
